Every property provides interiors designed with our own personal touches with 'home away from home' accommodation. The concept has been developed and evolved from the old-fashioned country public house combined with the every changing lifestyle hotel.

The Bridge is the younger sibling of The Vicarage in Holmes Chapel, Cheshire; a refurbished 17<sup>th</sup> century grade II listed country pub, restaurant and hotel and The Courthouse in Knutstford, Cheshire; the stunning converted crown court

## OUR CHEFS

When it comes to conjuring up wonderfully creative dishes championing locally sourced British produce & eco-sustainability, we have a brilliantly experienced chef at the helm:

Flat Cap Executive Chef, Steven Tuke

## OUR PRODUCE

Our stunning seasonal menus emphasise excellent regional food sourced from our favourite local suppliers. We take great care to ensure that all menu items are locally sourced, fresh, wholesome & of the highest quality.

All beef served in the restaurant is grass fed and raised in England or Wales from our artisan butcher Glynn Bros. It is hung for at least 21 days and then matured locally.

Our pork products are from Buttercross Farm in Shropshire where they are raised on the farm by the Rowley family.

All of our fish is sustainably sourced and comes from our supplier in Fleetwood unless otherwise stated as wild caught.

Our potatoes are some of the finest from the Massey family, while our veg is from the best in Cheshire.
