

FLAT CAP HOTELS

Flat Cap Hotels is a Cheshire based, independent family of foodies, creative chefs, baristas and talented mixologists passionate about locally sourced produce & quality products.

We are operators of independent hotels with restaurant specialising in delivering locally sourced British seasonal menus, eclectic cocktails, the finest beers & exceptional wine.

Every property provides interiors designed with our own personal touches with 'home away from home' accommodation. The concept has been developed and evolved from the old-fashioned country public house combined with the every changing lifestyle hotel.

The Bridge is the younger sibling of The Vicarage in Holmes Chapel, Cheshire; a refurbished 17th century grade II listed country pub, restaurant and hotel and The Courthouse in Knutstford, Cheshire; the stunning converted crown court

FLAT CAP ACADEMY

At The Bridge and as part of Flat Cap Hotels, your comfort and satisfaction is of paramount importance.

Our philosophy is simple! If we look after our staff they will look after you. This principle was behind the birth of our Flat Cap Hotels Hospitality Academy.

We believe that by enriching the skills of our team, they can go even further than the proverbial mile and offer an even greater experience for all our guests.

More details will be on our website soon.

OUR CHEFS

When it comes to conjuring up wonderfully creative dishes championing locally sourced British produce & eco-sustainability, we have a brilliantly experienced chef at the helm:

Flat Cap Executive Chef, Steven Tuke

OUR PRODUCE

Our stunning seasonal menus emphasise excellent regional food sourced from our favourite local suppliers. We take great care to ensure that all menu items are locally sourced, fresh, wholesome & of the highest quality.

All beef served in the restaurant is grass fed and raised in England or Wales from our artisan butcher Glynn Bros. It is hung for at least 21 days and then matured locally.

Our pork products are from Buttercross Farm in Shropshire where they are raised on the farm by the Rowley family.

All of our fish is sustainably sourced and comes from our supplier in Fleetwood unless otherwise stated as wild caught.

Our potatoes are some of the finest from the Massey family, while our veg is from the best in Cheshire.
